International Day

This week we held our Celebration of Languages assembly. We found out that there are between 6000 and 7000 different languages spoken in the world.

At least half of the world's population is bilingual or plurilingual - they speak two or more different languages. With this in mind, several of our children shared their heritage language with us -they were amazing! We also celebrated who our brilliant language learners are in school.

Reception enjoyed a visit from a parent who works in the Fire Service. Mr. Hull also spoke to the school about staying safe on Bonfire Night.
