Safeguarding

Nutgrove Mobile Phone Policy

Mobile phones are not permitted during the school day.

If a child needs to have use of a mobile phone for their walk to and from school or if they are going to different households then we can accommodate this. However, for all children who need to bring a phone to school the parent/carer must fill in a Mobile Phone Form. This can be obtained via the school office.

The phone must be handed in as soon as the pupil arrives at school to their class teacher. Phones are then kept in a locked cabinet/drawer for the school day

ATTENDANCE

- ✓ This week the class with the highest attendance is Year 3 98.85%
- ✓ This week the whole School's attendance is 94.28%
- ✓ The whole School attendance so far this year is 94.8%
- ✓ National Average so far this year is 93.4%

As you are aware we are monitoring attendance this year with letters home and attendance certificates. As a school, we will be monitoring attendance and informing parents of their child's attendance percentage.

We aim to have all of our pupils to be above 95% by the end of each school year.

If you are concerned about your child's attendance please do not hesitate to contact us so we can support you in ensuring your child is regularly in school.
