Nutgrove PTFA

Our PTFA is run by an active group of parents and led by Mrs Natalie Mason whose children are currently in Year 1 and Year 5. We actively get together monthly to discuss forthcoming events and fund raising. Our next meeting is in school on Thursday 5th October at 3.30pm and we welcome old and new faces to attend. We raised over £1000 last year for a new Forest School Area and spent time clearing a piece of land to enable us to develop this further for the children to use. We are on to stage 2 of this with staff training and further development of the area ready for use during this school year.

We are looking to hold lots of events this year such as discos, Christmas events, colour runs, raffles and much more. Our first fund raiser is for the children to design a poster to encourage all parents and carers to walk to school and park responsibly. We are looking to purchase some children's parking signs outside of school. Further information to follow next week.

If you are interested in joining the PTFA or would like to help at events please email them on:

Flu: 5 reasons to vaccinate your child

1. Protect your child
The vaccine will help protect your child against flu and serious complications such as bronchitis and pneumonia

2. Protect you, your family and friends
Vaccinating your child will help protect more vulnerable friends and family

3. No injection needed
The nasal spray is painless and easy to have

4. It's better than having flu
The nasal spray helps protect against flu, has been given to millions of children worldwide and has an excellent safety record

5. Avoid costs
If your child gets flu, you may have to take time off work or arrange alternative childcare
