'Living life in its fullness' at Nutgrove

Reception used balance scales to help with their shopping.

Year 2 learnt about the story from the Bible when Jesus performed a miracle and healed ten lepers. The children enjoyed acting out the story and reflecting on how the lepers felt when they were healed. They were thankful and looking forward to a wonderful life.

Year 1 investigated the trees to see if they were deciduous trees or evergreen trees using their observation skills

Communication

As a school we try to be as communicate as much as possible.

We use different forms of communication with parents i.e., calling or emailing.

Our main contact for us and parents is 'ParentApps'. Often, messages about your child's class are sent on here, or whole school announcements.

Please make sure you are logged in and are using 'ParentApps'.

If you are having problems using the app, please contact the School Office.

Autism Post Diagnostic Learning Programme

St Helens families

We are pleased to share details of our **Autism Post Diagnostic Learning Programme**; a course for parents and carers living in St Helens, whose child or young person has received a diagnosis of autism (ASD). This unique learning programme has been designed to support and empower parents and carers, following their child or young person's diagnosis, in their understanding of how autism is experienced by children and young people. It will provide learning, guidance, and strategies to support their child or young person.

This learning programme is commissioned by NHS Cheshire and Merseyside ICB - St Helens Place.

This new offer begins in January 2024.

To find out more, call us on 01744 582172 or email us info@advancedsolutions.co.uk. You can also visit our website, www.advancedsolutions.co.uk, for further information.
