'Living life in its fullness' at Nutgrove

This week has been Children's Mental Health Week.

During Assembly, we have been talking about things that are good for our mental health such as good sleep patterns, listening to music, eating healthily, drinking lots of water, and spending time with friends. We asked the children to think of things they could do to improve their mental health and the children chose and voted on two ideas to do over the half term.

The children have voted to;

1. To be more active
2. To be outside in nature

Please encourage your child to do both of these things during half term and send in pictures of these activities so we can celebrate this during the first week back.

GARDEN UPDATE

Over the past year with help from parent volunteers, we have been working on an outdoor area for our children. We still have a couple of jobs to do to finish but please see the difference our volunteers and PTFA have made to get this area in preparation for our children to use.

Before

After

We have lots of plans for next term to start using this space!

Thank You

As well as helping in the garden we have had many parent/carers' who have donated different things to school that we have greatly benefitted from. Thank you so much if you have donated!

Online Safety

The internet is a fantastic place for children to learn, create and have fun. However, they may occasionally have to deal with a variety of sometimes challenging online safety issues and risks.

See advice (On the link below) on a range of online safety issues that your child may face to help them enjoy the digital world safely and smartly.

Prayer of the Week

Dear Lord

The peace you provide is based on what Jesus has done for us.

Help my children enter into this peace, live in it, and find rest in it.

Uproot every worry, desire, and conviction from their hearts that hinders them from experiencing your peace.

In Jesus name,

Amen
